

REQUEST FOR PROPOSALS

The City of Cathedral City seeks technical proposals from **Professional Construction Surveying firms to provide Professional Construction Surveying Services required to support City Project No. 7007, 30TH AVENUE SOCCER PARK within the City of Cathedral City.**

PROJECT DESCRIPTION

This project, in general, consists of construction of the City of Cathedral City Soccer Park located adjacent to James Workman Middle School at the northwest corner of 30th Avenue and Santoro Drive. The project involves 17 acres and the development of approximately 15 soccer fields of various dimensions to accommodate the individual age levels of soccer players.

The project shall require (1) GRADING for parking areas, drainage facilities, building pads and sidewalks; (2) LAYOUT and CONSTRUCTION for drainage, parking lot, prefabricated restroom / concession facilities, shade structure, walking track, trash enclosure, storage, sidewalks, ramps, lighting and fixtures; (3) WATER, SEWER AND IRRIGATION to include complete system for grass and landscaped areas; (4) LANDSCAPE for all plant materials, soil amendments, and mow curbing; (5) ELECTRICAL / LIGHTING for field and security; and (6) STREET IMPROVMENTS on Santoro Drive and a new street "Tortuga" constructed north of the project. Both shall include lighting.

Proposal packages are to be submitted to the City on/or **before Tuesday, August 8, 2006 at 4:00 p.m.** Proposals received after the stated deadline shall not be accepted. Proposal packages are to be delivered to:
